

Keeping Concordia's Alumni & Friends Connected & Informed

CONCORDIA
University College of Alberta

Alumni & Friends

Nicole & Louis Coulombe (Class of '95 & '98)

Concordia took to the road this month and visited alumni and friends living throughout B.C. The first stop on this fun-filled weekend was Victoria, followed by a visit to Vancouver and ending with an evening in Kelowna. The turnout at each location was wonderful! Hosted by President Gerald Krispin, the VP of Advancement Patricia Warmington and Development & Alumni Relations Officer Kate O'Gorman, many members of Concordia's extended family came out to reconnect with the university and with each other. For most, these events were an opportunity to meet Concordia's new President for the first time. Guests learned about the current happenings on campus and the various initiatives being offered through the Alumni Association but most importantly, it was the laughter and reminiscing that made these events so successful. Thank you to everyone who attended the receptions, particularly Board of Regents members Susan Beiderwieden and Joel

Alumni Branches

The Alumni Association is creating opportunities for persons living outside the Edmonton area to connect with Concordia and fellow alumni in their own *neck of the woods*. If you would like to see an Alumni & Friends Reception held in your city please send us your request.

Spring

Springtime is the land awakening. The March winds are the morning yawn.

Spring is nature's way of saying, "Let's party!"
