Announcing New Alumni Association President!

Michael Wade (Concordia Alumnus '95), currently a partner with Belay Advisory, has accepted the volunteer position of Alumni Association President. Mike's passion for Concordia has been made evident in many ways, including his involvement with the Thunder Athletic alumni chapter. Mike is an excellent ambassador for the university and together with the rest of the Alumni Relations office will continue to build up the services and benefits offered to alumni and firmly establish the sustainability of the Executive Council throughout his two year term. He is a welcomed addition to the Alumni Relations team!
