## Are you a Teacher or Med School Graduate?

We are looking to hear about your successes and so are our students.

The Concordia Alumni Mentor Program has been receiving many students interested in finding Alumni as mentors.

We are currently seeking alumni that are employed or were employed as an educator, in the medical field, or with international business.

If you have experience in any of these fields and would like to offer advice to current students, please contact Daniel at 780-479-9232 or [daniel.mosher@concordia.ab.ca](mailto:daniel.mosher@concordia.ab.ca)

## Tell Us YOUR Story

We are always looking to hear what our Alumni are doing. Have you changed jobs, a new address, a marriage or new addition to the family?
