HAPPY NEW YEAR!!

Welcome 2011 where resolutions and exciting events run wild!

2010 was a great year for Concordia alumni, friends, and family. Another class of students flipped their grad caps to join you as the newest generation of alumni. Exciting big events included the Concordia Open in its final year, 10th annual Grand Masque Gala, Alberta Art Gallery Edmonton Alumni Reception, annual Christmas Concert, and the Presidents Dinner.

In the upcoming year we are planning some of these events:

- And more to come...

Please send any ideas for future Alumni Events to alumni@concordia.ab.ca

2011 Alumni Week a Success

Thank you alumni and friends that attended the many events during Alumni Week 2011!

Alumni welcomed the annual student for a week and Alumni Association BBQ with excitement. We also hosted a new alumni led chapel, four career development seminars, Wine and Cheese on campus, and the Edmonton Oilers vs. Dallas Stars hockey game.

The Stars handed a defeat to the Oilers; but your Concordia alumni and friends still cheered and had a great time.

Jacob Bos took many photos of our alumni during the Wine and Cheese. These photos are posted on our Alumni Relations Facebook page.

We are always looking to hear what our Alumni are doing. Have you changed jobs, a new address, a marriage or new addition to the family?
