KEEPING CONCORDIA'S ALUMNI & FRIENDS CONNECTED & INFORMED

New Alumni Association President

Concordia bids farewell to Mike Wade and welcomes Beth Balcombe as the new Alumni Association president. Mike has done a spectacular job as the president over the last three years, including the assistance in growing the executive.

Before becoming president, Beth was the VP of the CAA for three years and worked closely with Mike as one of the two executive members.

The executive now consists of 5 members, Darby Tchir, David Keppler, Josey Hitesman, Sara Norris and Beth. The executive looks to provide a mechanism for alumni to maintain contact with each other and the university through various communications and activities.

A Gathering of the Future

A small group of Concordia Alumni, ranging from 2000-2007 organized a family camping trip in Drumheller this July.

Concordia is happy to see so many alumni gathering together with their children. To quote Sandi Bjorgum (alumna 2005), "Concordia sure does make cute kids".

All the best to all alumni and their families!
