Northgate Industries Saves Thunder Hockey Program with their Corporate Donation

Recently, Concordia was faced with a budget decision that left President Gerald Krispin and the Board of Governors with a difficult choice to discontinue the Hockey Program.

Within a day of the announcement a longtime supporter of Concordia, Mr. Sid Braaksma at Northgate Industries offered a corporate donation to save the program.

“On behalf of the students, coaches, board, and staff at Concordia, I wish to extend our sincere gratitude to Northgate Industries for ensuring the Hockey Program continues at Concordia.”

“Thank you for being an exceptional corporate donor.”
