Project 25: Supporting Student Scholarships and Bursaries

Project 25 is a plan to support student scholarships and bursaries. We have asked students to donate \$25, and we are asking you, the alumni, to match that. The combined \$50 will then be eligible for matching funds from the Alberta Access to the Future Fund. *So, your \$25 becomes \$100!*

Students \$25 + Alumni \$25 + Matching \$50 = \$100

Project 25 helps students of the future.

So why should you give to Project 25?

Don't you wish someone had done it for you?
