Keeping Concordia's Alumni Connected and Informed

On Your Mark, Get Set... GO!!!

As this is our first issue of *Alumni Links*, I'd like to introduce myself and tell you a little about what I hope this e-newsletter will do for us. My name is Kate O'Gorman and I am Concordia's new Development & Alumni Relations Officer. It is my job and privilege to keep all Concordia Alumni informed and connected to what is currently happening on campus. As a Concordia alumna myself, I am excited at the possibilities ahead. I attended Concordia from 1998-2000 graduating with a B.A. in music and then again in 2003 with a B.Ed. I am thrilled to be back on campus working on behalf of Concordia's alumni and this e-newsletter is a tool to help me do just that. Through this publication you will receive monthly updates on Concordia news and alumni activities. But I can't do it alone—you are an integral piece of Concordia's history and future. Your input is invaluable. So, if you have an idea for an alumni event or just want to let us know what you've been up to since graduation, I am here for you. Why not take advantage of it and become reacquainted with Concordia University College of Alberta. As they say in the movies, "This could be the beginning of a beautiful friendship."

Who's Who?

We are curious about where our alumni are today! What new and exciting things have happened to you since graduation? Please keep in touch to tell us about what's going on in your life these days. With your permission we would love to showcase your story in this and other publications. So send us an email, give us a call or simply drop by Alumni House at 7250 Ada Blvd. if you're on campus. We would welcome the opportunity to meet with you.

Association News

We are currently looking to rejuvenate our Alumni Association Board of Directors. As many of you know, Jason Johnson has stepped down as President after generously serving for the past two years. Concordia's Alum were fortunate to have such a dedicated voice speaking on their behalf. We wish Jason the best of luck and thank him for all of his hard work. The CUCAAA has benefited from Past-Presidents over the years who have promoted Concordia and her alumni in exceptional ways. However, as Concordia continues to grow, so too does our community of alumni and in response to this expansion the Alumni Association must grow as well. With this in mind, Concordia would like to appoint a full complement to the Alumni Association Board of Directors in the New Year. Keep an eye on the Concordia website for new Alumni Association developments and how you can get involved!

We would like to re-connect with as many Concordia Alumni as possible, so if you know of an alumna who is not receiving this publication—please forward this e-newsletter on and invite them to contact our office so we can keep them in the loop!
